

ERIN'S 9TH BIRTHDAY

is around the corner,
Hope you can come,
and be a supporter!

Her special birthday wish makes us so proud,
We had to share it with our favorite crowd,
She has decided no gifts galore...
Or anything from the store...
She wants to make a difference
in the lives of children that she wishes had more!

Erin requests that you donate to

Fighting for Children's Rights

in lieu of gifts for her 9th Birthday!

Donations can be brought to the party in cash, check, charge (we
will have forms), or directly to the website at
www.floridaschildrenfirst.org
