

# LAWYERING BY DESIGN:

## Defining High-Quality Legal Representation in Partnership with Youth

THURSDAY, JUNE 9<sup>TH</sup> | 12:00 - 1:30pm

### ABOUT THIS TRAINING

Join us as the National Association of Counsel for Children's Legal Director, Allison Green and Youth Engagement Manager Cristal Ramirez share the NACC's recently released [Recommendations for the Legal Representation of Children and Youth in Neglect & Abuse Proceedings](#). They will review the 10 primary duties for children's attorneys and explain the lived experience perspectives that shaped each one. Special focus will be given to areas that pose the greatest potential for the field (ex. sharp increase in out-of-court client contact). Finally, the session will encourage attendees to use the Recommendations and user-centered design methodology as a starting point for revamping practices, training, and supervision in their own communities.

### ABOUT NACC

Founded in 1977, the National Association of Counsel for Children (NACC) is a non-profit professional membership and advocacy organization dedicated to advancing justice for children, youth, and families. We provide programs and resources that improve the quality of legal representation for children, parents, and agencies; support a community of hard-working and dedicated professionals and help attract and retain a diverse talent in the children's legal advocacy profession; and we advocate for policies that advance children's rights, including the right to counsel.

### ABOUT FLORIDA'S CHILDREN FIRST

Florida's Children First, Inc. (FCF) is an award-winning non-profit organization that advocates to make positive systemic changes to improve children's lives. Its primary focus is on impacting the lives of children in foster care. Its work also impacts children with disabilities, those who are homeless, are immigrants, or have juvenile justice involvement. The Florida Youth SHINE program was developed to educate, empower, and support youth from foster care to become passionate advocates who amplify their voice for systemic changes.
