What is a Legal Health Check Up?

A personal meeting with a lawyer who will review all aspects of your life and help you determine whether you have current un-met legal needs.

What Happens after the Consultation?

The attorney you meet with may agree to represent you for some or all of your unmet legal needs. If not, Florida's Children First will try to find an attorney to help you with your legal needs.

Am I Guaranteed a Free Lawyer?

No. We will do our best to find a lawyer to help you, but we cannot promise that everyone looking for help will get a lawyer.

What Does it Cost?

The Legal Health Check Up is free. You will never be charged a fee for the follow up legal work you need. But, for some types of cases the lawyer might ask you to agree to a contingent fee or to make the other side pay the fee.

How Do I Sign Up?
